

~*~ Fiddle / Violin Lessons ~*~

with **Hope Hoffman**
for **adults & children**
in downtown **Bowdoinham**

Individual lessons

(ages 3 1/2 -5 with parents; ages 6 and up; & adult students at all levels including beginners)

Small group classes

(2-3 students, scheduled/organized by those students)

Hope's early training was classical violin, and she has been teaching fiddle since 2001 focusing on folk techniques and tunes learned from local traditional musicians. Experiences as a Montessori student & Montessori assistant teacher guide her teaching style. She can also accompany students on guitar for the experience of playing as a duet.

Hope performs violin/fiddle music for festivals, dances, weddings and community events, including concerts of her original compositions.
